

Sponsorships underwrite the efforts of MESA to work on a global scale and bring value to our members and industry at large.

- **Keystone Sponsors** support the entire organization in all areas of operations.

- **Working Group Sponsors** support the work of a specific content-generating group within MESA.

- **Regional Sponsors** underwrite the efforts of teams in dedicated geographies to support MESA's mission.

All sponsorships are valuable to MESA as a global not-for-profit organization. Sponsors are consistently recognized for their value and their contributions to our work through the benefits highlighted below.
