

Sponsorships support the efforts of MESA to work on a global scale and bring value to our members and industry at large.

- **Keystone Sponsors** support the entire organization in all areas of operations.
- **Working Group Sponsors** support the work of a specific content-generating group within MESA. Choose from any of these [working groups](#).
- **Regional Sponsors** support the efforts of the Board of Directors and Special Interest Groups in dedicated geographies to support MESA's mission. [Regional groups](#) include APAC, EMEA and Americas.

All sponsorships are valuable to MESA as a global not-for-profit organization. Sponsors are recognized all year for their value and their contributions to our work through the benefits highlighted below.
