Have an idea for a benefit? Send Abigail your requests and any details.

Need help convincing the boss?

If you need to make a case for corporate membership, please feel free to use [these resources](#). They can help gain interest from additional employees and help justify membership budget.

To have someone present MESA to your company, please contact John Meulemeester, MESA Commercial Leader, ++32 470 815 333, John@MESA.org

*MESA defines a manufacturer as an entity that makes goods through a process involving raw materials, components, or assemblies. This would include any entity that brings the raw material, component, assembly, or finished good to its final destination, be it the manufacturing/producing location or to the market. Producers of software or software solutions are considered solution providers.
